# INTERURBAN CARS COLLIDE

Two Persons Were Injured.

Two of Whom May Die.

Indianapolis, Aug. 2.—Belting and crashing as a high rate of speed, car No. 104, south-bound, on the Indianapolis and Nashville road, crashed into a north-bound car three miles south of Mooresville, Tuesday morning, inflicting over 30 people, two of whom will probably die.

The south-bound car was heavily loaded with passengers bound for Chicago. The north-bound car had only a few passengers and, with the exception of the motorman Frank Caster, none were injured. Both cars were special and met on a curve remote from town or farm houses, when it was impossible to secure aid until another car arrived from Marietta, when the injured were removed to Bethany Park and medical aid summoned.

Bethany Park is the summer home of the Christiana, and the passengers were going to the park to attend services. The women at the park joined in praying for the victims and in aiding the physicians. All the injured were removed to the hospital. The cause of the accident, it is said, was due to the telephone system not being in good working order and the crew not being able to get orders.
